EDIS
libreria / bookcase
SIPARIO
recinto / screen
anta scorrevole porta tv / sliding door with tv holder

PERCHÉ SCEGLIERE EDIS?
WHY CHOOSE EDIS?

SEMPRE ADATTO
ALWAYS PROPER

edis è un modulo EDIS comprensibile grazie a 10 alzate e 5 spessori differenti. 14 diverse lavorature a legno e 3 spessori diversi per la struttura.

eng: Each Edis module is combinabile thanks to its 10 heights and to the ground, 8 heights suspended and 2 heights floating. 14 different types of wood, 3 thicknesses and 54 different combinations.

SPESORI IMPORTANTI A DIFFERENT THICKNESS

Re: Il sistema di moduli eng: The system of modules that is always proper to its layout of geometry of plants and furniture. ILLUMINANTE ENLIGHTENING

Re: Quando ci si siede o si sta in piedi, Edis non impedisce di uscire dalla stanza. La luce integrata che ne irradia la luminosità.

eng: Edis: a velvety sign in its thickness, 40 mm for all doors. The integrated lighting allows Edis to have 3 different thicknesses in order to make the surface more luminous.

DISTO LE QUINTE / SIPARIO BEHIND THE SCENES / SIPARIO

Re: Una comoda levatissima. Sipario, integra uno schermo per TV con telecomando.

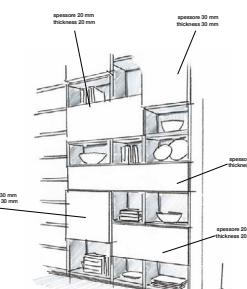

eng: Sipario, besides its recessed vertical sliding system, is also equipped with a panel sliding on the side that allows it to be used as a piano (jazzily covered), and then reverts to a screen when it moves.

Re: Il gioco di profondità* creato dai diversi spessori delle pareti dei cassetti e delle ante, raccontandosi attraverso un effetto 3D che ne caratterizza il design. Il gioco di profondità è lo stesso come nel magico Edis e Sipario donano alla composizione.

eng: The depth game created by different thicknesses of Edis doors captures the viewer's eye, telling its story through a 3D effect that characterizes the design. Palaisario Sipario is the connection between Edis and Sipario, creating continuity and charm to the composition.

Campaign 2020

La mia idea di sicurezza è Mia.

In ITAS tutti noi - colleghi e agenti - collaboriamo per costruire un futuro più sicuro e sereno per la nostra comunità. Oggi sono felice di partire di ITAS Mia, il progetto previdenziale per i nostri soci assicurati. Grazie al contributo di ITAS Mutua, i costi di gestione della tua pensione integrativa diventano i più bassi del mercato: così tu accumuli ancora più capitale. Un vantaggio che solo una Mutua può darti.

Jessica, dipendente e socia dal 2008.

La mia idea di futuro è Mia.

Sono orgoglioso di lavorare in ITAS e di esserne socio, perché diamo vita a iniziative concrete per il territorio e le persone. Da oggi c'è una novità in più: ITAS Mia, il progetto previdenziale per i nostri soci assicurati. Grazie al contributo di ITAS Mutua, i costi di gestione della tua pensione integrativa diventano i più bassi del mercato: così tu accumuli ancora più capitale. Un vantaggio che solo una Mutua può darti.

Marco, socio dal 2010 e dipendente dal 2011.

La mia idea di serenità è Mia.

Lavoro in ITAS da dieci anni, ma sono socio da quando ne avevo sedici. Negli anni abbiamo fatto molto per il nostro territorio. Oggi, con ITAS Mia, investiamo su quello che per noi conta di più: le persone. Grazie al contributo di ITAS Mutua, i costi di gestione della tua pensione integrativa diventano i più bassi del mercato: così tu accumuli ancora più capitale. Un vantaggio che solo una Mutua può darti.

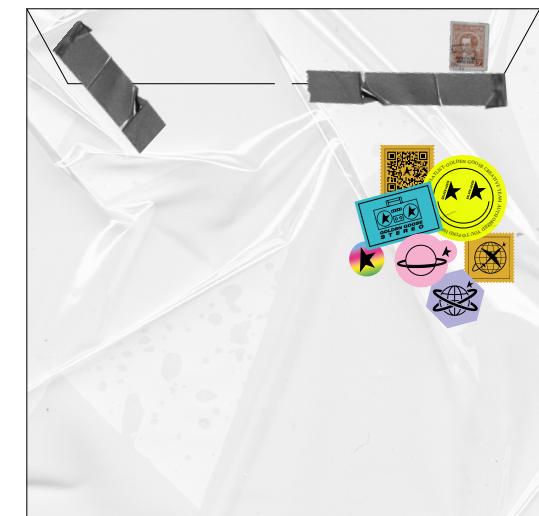

Thomas, socio dal 2002 e dipendente dal 2009.

Website

Sunglass Hut

—2020

The screenshots illustrate the design and layout of the Sunglass Hut website during the 2020 campaign. Each page features a large, vibrant image of a model wearing sunglasses, with the "Cyber Colors" logo prominently displayed. The pages include sections for the "Cyber Colors Collection" (showing various styles of sunglasses), editorial content ("It's about time colors came back"), and a call-to-action to "Read the full article". The footer of each page contains standard website navigation links and a "Become a Sunglass hut community member!" button.
